Predator G3

The Acer Predator G3 Series has a sophisticated design that glows with gaming passion. Powered by the latest processors and high-end graphics solutions, this awesome machine delivers killer performance, dazzling HD multimedia, and enhanced media management to exceed your gaming expectations and more!

Premium design

Easy-to-reach, top-side USB placement simplifies cable management and saves space. On the backside, an ergonomically-designed handle provides maximum comfort and leverage for moving the machine around. Up front, the easy-swap hard drive bay (optional) ensures flexible expandability whenever you want.

Advanced technology

The Predator G3 Series runs a seriously powerful processor, along with ultra-fast DDR3 memory for rapid multitasking. A wide range of top-brand graphics options are available with Microsoft® DirectX® 11, which enhances multimedia and gaming performance for stunning realism.

Immersive entertainment

Acer Arcade™ Deluxe 4.0 integrates HD entertainment and sharing, and a Blu-ray Disc™ drive rounds out this stunning personal home-theater experience. Furthermore, the HDMI® port (optional) can connect your PC to HD peripherals for yet more avenues to exciting high-definition entertainment!
